

**APCS Photography Market – Box Hill Town Hall
1022 Whitehorse Road, Box Hill - Melway 47E9**

Table Booking Information

The Floor Plan shows 60 tables. We can expand to the Foyer if necessary. Shaded tables are generally pre-allocated to regular vendors. They will be available if they do not book this time.

The problem of the center aisle being too narrow is no longer a problem. Many regular vendors have preferred locations, so those who were happy with their position in previous markets will be placed in approximately the same location. Alternatively, give me a call to discuss location. The main thing is if you want a power point I need to put you around the perimeter or out in the foyer.

Tables are 1.8m x .75m. and \$55 each. Two people included per table. One extra helper per table can be pre-paid for \$2.

Vendors set up from 8:00 till 9:00 and public admitted from 9:00am to 1:00pm.

Unload to set up through the front entrance after checking in at the APCS table.

Catering is being organized from 8:30 till 12:00noon.

There are no parking restrictions behind the Town Hall, so once you have unloaded you do not have too much of a problem parking for the day.

Send me an email or give me a call to make your booking.... I need the following:
