

**APCS Photography Market – Box Hill Town Hall
1022 Whitehorse Road, Box Hill - Melway 47E9**

Table Booking Information

The Floor Plan shows 60 tables. We can expand to the Foyer if necessary. Shaded tables are generally pre-allocated to regular vendors. They will be available if they do not book this time.

Many regular vendors have preferred locations, so those who were happy with their position in previous markets will be placed in approximately the same location. Alternatively, give me a call to discuss location. If you want a power point I need to put you around the perimeter or out in the foyer.

Tables are 1.8m x .75m. and \$55, or APCS Members \$50. Two people included per table. One extra helper per table can be pre-paid for \$2.

Vendors set up from 8:00 till 9:00 and public admitted from 9:00am to 1:00pm.

Unload to set up through the front entrance after checking in at the APCS table.

Catering is being organized from 8:30 till 12:00noon.

There are no parking restrictions behind the Town Hall, so once you have unloaded you do not have too much of a problem parking for the day.
