## APCS NEWSLETTER No.92a – August 2019 (Special Issue)

### Vale – Life Member – Ian Carron

It is with great regret that we have to observe the passing of one of the most active of all members of the Society. Ian Carron passed on last Sunday evening after dealing with Cancer for a while. As always, he was active to the end and attended a committee meeting only a couple of weeks earlier. He was still organising the next issue of Back Focus....

We extend our condolences to Jean and family. Ian will be greatly missed in many walks of life.

Ian had been a member of the Society for just short of 40 years. He was the President for nearly 15 years – the longest reign in the history of the Society, and in association with the late John Keesing reformed and edited the Society magazine Back Focus for 27 years.

A celebration of his life will be held on Monday next – 26<sup>th</sup> August – at Montsalvat in Eltham starting at 1pm. Members are invited to attend.
